Property Management Franchises For Sale

A Grade Property Management was born of a desire to create a forward-thinking and client-centric Property Management service.

We have become one of Auckland's fastest growing Property Management Companies and enjoy an A Grade rating.

As owner-operators, we are all about **"Doing property properly"**.

Keys to our success are:

- We use the latest in Australian software systems
- We receipt rents, and balance rent trust accounts every day
- We have totally portable and future-proofed technology

If you have great energy, are computer literate and want to create a business that will own a valuable rent roll and create income along the way, then an A Grade Property Management franchise may be for you.

Pay 100% Bartercard dollars for the cost of the proprietary business system, checklists, manuals, processes and training - **PLUS** - franchise fees for your first-year!

Call Tracy for a coffee and a conversation about a career in property management today!
