Gateway to Ballarat

Located at the gateway of Ballarat Terrace 4kms out of Hokitika is an opportunity not to be missed. This section has the potential for subdividing into 2 or possibly 3 sites. Approx 14236m².

Set in a subdivision of lifestyle blocks and surrounded by a stream, this site offers a tranquil and relaxing space to build your dream home. Subdivide and sell the other half, or build again and reap the profits. Only a 5 minute drive to town and the airport, this site offers the benefits of rural West Coast living with all the amenities of town nearby.

Several other large new subdivisions ranging from 30 sites to 300 sites are in planning stages nearby, so land prices are bound to increase. Don't miss out!
