## Affordable Luxury

At Sanctuary Place our vision is to create a unique place that offered an opportunity to reconnect with nature.

Beginning in the early 2000's the aim was to create a special place unmatched in its physical beauty and not affect its natural values and charm through the development process.

Today Sanctuary Place remains one of the most highly sought after locations on the West Coast..

The location is ideal for those who want to live in an adventure and outdoor paradise and provides an opportunity to own a piece of New Zealand in its natural state.

Each section is hidden in over half an acre of native bush protected from the elements with abundant birdlife and an easy walk to the ocean where the world famous Coast to Coast begins.

Only 15 minutes to the local towns of Greymouth and Hokitika and access to a wide range of unique activities â New Zealand's best whitebaiting, magical trout fishing, caving, rafting, canoeing, kayaking, surfing, horse riding, and beach and forest walks or merely relax with your family on your own quiet
