## Spacious Modern City Villas in

CONCEPT & DESIGN

Spacious modern city villa homes for the city-minded couple or family.

8 Prince St features Eight impressive three-level villa homes, each with three bedrooms, secure undercover parking and an individual private large entertainer roof deck. In central Southport nearby many popular food and entertainment hubs, this quality residential opportunity has an array of amenities, light rail, and bus connections all on its doorstep.

These homes are designed to enhance outlook and airflow, with generous surrounding windows on all levels and a magnificent roof entertainment deck to capture the commanding views from each villa home.

Most villa homes take in views all overlook Southport and beyond to the surrounding hinterland. Ideal for the family, couple, or those who share, 8 Prince St offers the discerning buyer who seeks the luxury of convenience a project with a difference â providing value for money with quality fixtures, LED lighting, and spacious living quarters.

The substantial and semi-covered, individual private rooftop deck, fitted with LED lighting, power, and water, makes these villa homes great entertainers.
