

It's Treats

Makers of fine condiments

Wanted - People with a passion for good food!

People wanted with a passion for good food to take up the task of continuing to manufacture our great product. Tt's Treats has an extensive list of condiments available.

The factory is located in a great country town in Central Victoria with all the amenities that a family require.

The business includes a great range of equipment with contract cooking, supplying Supermarkets, online sales and a large number customer base.

There is a current lease on the factory of which full details can be provided.

Full financials and client list available once a confidentiality agreement has been signed
