Kids Clothing Boutique-first time offered

After 16 years its time for me to move on, I love this business and have a loyal clientele so I am looking for the right person to take over. I started in 2000, when my kids were young, now they are both at uni, so its time for me to try something else. Sale includes fixtures and the website www.funkid.com.au , stock will be negotiated separately.

Our brands are exclusive to the shop for this region, including the very popular Tip Toey Joey shoes which we sell worldwide. We cater for newborn-12 yrs in clothing, shoes, books, and toys, including a small range of womens gifts.

Can be run by a couple, or one person with partimers and the flexibility to work the hours you choose (this was handy when my kids were young). Long lease, reasonable rent,and double fronted shop for great exposure. Potential for growth by becoming active on social media.
