Re-locatable cabins made to order

Our steel base, timber and corrugated iron cabins come in a range of sizes and styles to suit your needs and your budget. Made with many recycled components or completely new, our cabins have made the affordable more beautiful. Sturdy to give you years of enjoyment yet low maintenance. If you need a place to get away, have a commercial use or just need more space let us show what is possible.

1 bed

- Made to order
- Easily transportable over & over
- Natural materials, low toxicity
- Use of recycled materials
- Strength and durability
- Quality workmanship & fixtures
- Quick and easy delivery
- Great value for money
- Functionality built in
- Uniqueness

We build our cabins on a galvanised steel base with a hardwood tongue and groove floor laid over base. Steel cyclone rods every 900mm which secure a treated pine frame with the base to steel strapping (with cross bracing). From smaller office/bedrooms to modular housing and everything in between. Delivery to all areas arranged.

The starting price does not include optional extras i.e. air-con, water heaters, rain water tanks etc.

50% Trade : AU\$14,750 (Cash) | AU\$14,750 (Trade)

AU\$29,500
