

CRANBOURNE, VIC

Food & Beverage Processing Facility with Large Cool Room

Beverage wholesale business

Using own labels and contracting a generic label, based in Cranbourne, servicing supermarkets, other retailers and wholesalers in Melbourne metro and the Mornington Peninsula.

It is an ideal bolt-on to another business, as it is under capacity, and can be operated by one person. The purchase price includes all stock (finished goods, raw materials, packaging materials) at settlement and all equipment except fork lift and motor vehicles, as well as business name, customer list, supplier list, and formulations, as we are retiring from the business

The equipment include a large cool room, 2 stainless steel mixing tanks, filling machine, pump, packing table, extensive pallet racking, 2 air compressors, pallet jack, refractometer, drum trolley, 2 tape guns, use-by date gun, assorted furniture, 2 computers, 2 printers, security camera system, and alarm system.

The fork lift and delivery van are available for sale separately if required.
